

Thank you for your continued friendship and support I am grateful for all your words of encouragement and hope. Your willingness to stand against injustice is admirable and gives me a renewed sense of strength. You are the light, in all this darkness, and knowing I am not alone or forgotten gives me a calming peace.

As the years and decades continue to pass me by, it would be easy to just give up hope, but as long as I have a breath in my body, I will continue to fight this injustice. I am grateful to have a wonderful team of "angels" who are working hard on my behalf, and we hope to see some results of their efforts in the near future. In the meantime, I will continue to treat each day in front of me as an opportunity to do something positive in the world around me. I have learned that a positive attitude can make all the difference.

Be kind to yourself and others,

Pamela
